

May e-News

Welcome Dr Chris Pritchard MA President 2021 - 2022

Chris looks forward to working with MA members during his presidential year and would be pleased to receive requests for help, together with constructive observation and comments both about his work and that of The MA.

Chris has embarked on a series of essays with an overarching theme of the visual in mathematics. One essay will appear on the MA website each month.

Click below to read them.

MA Shop - New arrival!

A Level Mathematics Revision Cards

Created by David Miles, this pack contains **96 carefully crafted revision cards** that encapsulate the content of the reformed A level specifications in mathematics.

The front of each card **summarises the essential theory** for one particular topic and the back provides a pair of **illuminating associated questions** with outline solutions.
