'Science for Ukraine' mentoring programme needs your help!

Volodymyr Proshkin lives near Chesterfield as part of the 'Homes for Ukraine' programme. He is a professor of mathematics education with 21 years of experience teaching mathematics and researching in mathematics education at universities in Ukraine and Poland. The sphere of his interests includes researching the problems of teaching and studying mathematics, STEM and using digital technologies in education.

He is currently looking for a post in the UK in teaching or researching. Please get in touch with him if you know of any upcoming positions.

Council Vacancies

We are seeking to fill several vacancies on our Council from April 2023. Come and join us to shape the future of your association and be an influential voice in mathematics education.

Our Council meets quarterly in March, June, September, and December of each year.

Nominations for election to any position on Council must be made in writing and supported by two MA members together with the nominees consent to serve.

The closing date for receiving vacancy nominations is **31st December 2022**.

The following roles are vacant;

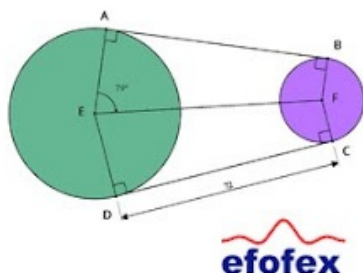

- Treasurer
- Chair of Council
- Chair of Professional Development Committee (PDC)
- Chair of Publicity and Media
- Member Without Office

Full details for these roles and a list of duties are available on our **website**.
