President's Blog

Our President, Dr Colin Foster, is continuing to write a **blogpost** every two weeks up to the end of his Presidency in March, aiming to address issues of interest and relevance across the entire range of mathematics, from early years to university. There are five posts remaining. Keep a look out this month for the following ones:

- 2 February: Non-expository video clips.
- 16 February: Don't forget the units?
