

Date: 15/04/2020 Time: 14.00-15.00

Session Code: 3D

Audience Primary

Katherine Milner

Title: *Exploring Fluency – going beyond rapid recall*

Summary: The word ‘fluency’ is now regularly used following its inclusion in the aims of the National Curriculum but what does it mean, what does it look like and how is it connected to reasoning? This session will provide an opportunity for exploration of ‘fluency’ through practical tasks that can be used in the classroom.
