

MATHEMATICAL ASSOCIATION ANNUAL MEETINGS 1898 - 2024

YEAR	DATES	LOCATION	PRESIDENT	PRESIDENTIAL ADDRESS	MEETING TYPE
1898	15 January	University College, London	Professor A Lodge	No address	Annual Meeting
1899	21 January	University College, London	Professor A Lodge	No address	Annual Meeting
1900	27 January	King's College, London	Professor Sir Robert S Ball	No address	Annual Meeting
1901	19 January	King's College, London	Professor Sir Robert S Ball	No address	Annual Meeting
1902	18 January	King's College, London	Mr JF Moulton	No address	Annual Meeting
1903	24 January	King's College, London	Mr JF Moulton	No address	Annual Meeting
1904	23 January	King's College, London	Professor AR Forsyth	No address	Annual Meeting
1905	28 January	King's College, London	Professor AR Forsyth	No address	Annual Meeting
1906	27 January	King's College, London	Mr GB Mathews	No address	Annual Meeting
1907	26 January	King's College, London	Mr GB Mathews	No address	Annual Meeting
1908	25 January	King's College, London	Professor GH Bryan	The uses of mathematics and the training of the mathematical teacher	Annual Meeting
1909	12 January	King's College, London	Professor GH Bryan	Retiring address with no title	Annual Meeting
1910	12 January	Westminster School, London	Professor HH Turner	Mathematics and 'general education'	Annual Meeting
1911	11 January	London Day Training College, London	Professor HH Turner	The outer satellites of Saturn and Jupiter	Annual Meeting
1912	10 January	London Day Training College, London	Professor EW Hobson	The democratization of mathematical education	Annual Meeting

MATHEMATICAL ASSOCIATION ANNUAL MEETINGS 1898 - 2024

YEAR	DATES	LOCATION	PRESIDENT	PRESIDENTIAL ADDRESS	MEETING TYPE
1913	8 January	London Day Training College, London	Professor EW Hobson	On geometrical constructions by means of the compass	Annual Meeting
1914	7 January	London Day Training College, London	Mr AG Greenhill	The use of mathematics	Annual Meeting
1915	9 January	London Day Training College, London	Mr AG Greenhill	Mathematics in artillery science	Annual Meeting
1916	5 January	London Day Training College, London	Professor AN Whitehead	The aims of education - a plea for reform	Annual Meeting
1917	5 January	London Day Training College, London	Professor AN Whitehead	Technical education and its relation to science and literature	Annual Meeting
1918	9 - 10 January	London Day Training College, London	Professor TP Nunn	Mathematics and individuality	Annual Meeting
1919	1 - 2 January	London Day Training College, London	Professor TP Nunn	Astronomy as a school subject	Annual Meeting
1920	7 - 8 January	London Day Training College, London	Professor ET Whittaker	Some mathematical problems awaiting solution	Annual Meeting
1920	31 May - 1 June	University of Leeds	Professor ET Whittaker	No address	Summer Meeting
1921	4 January	London Day Training College, London	The Reverend Canon JM Wilson	The early history of the Association, or, the passing of Euclid from our schools and universities. And how it came about. A story of fifty years ago	Annual Meeting
1922	2 - 3 January	London Day Training College, London	The Reverend Canon JM Wilson	No address	Annual Meeting
1923	1 - 2 January	London Day Training College, London	Sir Thomas L Heath	Greek geometry with special reference to infinitesimals	Annual Meeting
1924	7 - 8 January	London Day Training College, London	Sir Thomas L Heath	No address	Annual Meeting
1925	5 - 6 January	London Day Training College, London	Professor GH Hardy	What is geometry?	Annual Meeting

MATHEMATICAL ASSOCIATION ANNUAL MEETINGS 1898 - 2024

YEAR	DATES	LOCATION	PRESIDENT	PRESIDENTIAL ADDRESS	MEETING TYPE
1926	4 - 5 January	London Day Training College, London	Professor GH Hardy	The case against the mathematical tripos	Annual Meeting
1927	3 - 4 January	London Day Training College, London	Professor MJM Hill	On the teaching of mathematics	Annual Meeting
1928	5 - 6 January	London Day Training College, London	Professor MJM Hill	The logical eye and the mathematical eye	Annual Meeting
1929	7 - 8 January	London Day Training College, London	Dr WF Sheppard	Variety of method in the teaching of arithmetic	Annual Meeting
1930	6 - 7 January	London Day Training College, London	Dr WF Sheppard	Mathematics for the study of frequency statistics	Annual Meeting
1931	5 - 6 January	London Day Training College, London	Professor Sir AS Eddington	The end of the world (from the standpoint of mathematical physics)	Annual Meeting
1932	4 - 5 January	London Day Training College, London	Professor Sir AS Eddington	The decline of determinism	Annual Meeting
1933	5 - 6 January	London (formerly London Day Training College)	Professor GN Watson	The marquis and the land agent	Annual Meeting
1934	4 - 5 January	Institute of Education	Professor GN Watson	Scraps from some mathematical notebooks	Annual Meeting
1935	7 - 8 January	Institute of Education	Professor EH Neville	The food of the gods	Annual Meeting
1936	2 - 3 January	Institute of Education	Mr AW Siddons	Progress	Annual Meeting
1937	4 - 5 January	Institute of Education	Professor AR Forsyth	Applied mathematics in school training	Annual Meeting
1938	4 - 5 January	Institute of Education	Professor LNG Filon	Mass and force in Newtonian mechanics. [Read by Professor GB Jeffery]	Annual Meeting
1939	2 - 3 January	Institute of Education	Mr W Hope-Jones	Simplicity and the truthfulness in arithmetic	Annual Meeting
1944	12 - 13 April	King's College, London	Mr WC Fletcher	No address	Annual Meeting

MATHEMATICAL ASSOCIATION ANNUAL MEETINGS 1898 - 2024

YEAR	DATES	LOCATION	PRESIDENT	PRESIDENTIAL ADDRESS	MEETING TYPE
1945	4 - 6 April	King's College, London	Mr CO Tuckey	Teachers and examiners	Annual Meeting
1946	24 - 25 April	The Polytechnic, Regent Street, London	Professor S Chapman	University training of mathematicians	Annual Meeting
1947	9 - 10 April	The Polytechnic, Regent Street, London	Mr WF Bushell	A century of school mathematics	Annual Meeting
1948	1 - 3 January	Institute of Education, London	Professor GB Jeffery	Mathematics as an educational experience	Annual Meeting
1949	20 - 23 April	University of Birmingham	Sir Harold Spencer Jones	The measurement of time (given January 1950)	Annual Meeting
1950	3 - 4 January	The Polytechnic, Regent Street, London	Mr A Robson	How they learnt 1600 - 1850 (given April 1949)	Annual Meeting
1951	28 - 31 March	University of Bristol	Professor HR Hassé	My fifty years of mathematics	Annual Meeting
1952	3 - 4 January	The Polytechnic, Regent Street, London	Dr ML Cartwright	Non-linear vibrations: a chapter in mathematical history	Annual Meeting
1953	8 - 11 April	University of Sheffield	Mr KS Snell	School mathematics today and tomorrow	Annual Meeting
1954	4 - 5 January	King's College, London	Professor TAA Broadbent	Printer's ink and the teacher	Annual Meeting
1955	13 - 16 April	University College, Leicester	Professor WVD Hodge	Changing views of geometry	Annual Meeting
1956	5 - 6 April	King's College, London	Mr GL Parsons	"Teaching the teacher"	Annual Meeting
1957	2 - 3 January	King's College, London	Professor GFJ Temple	The growth of mathematics	Annual Meeting
1958	9 - 12 April	Ashbourne Hall, University of Manchester	Mr WJ Langford	Secondary school mathematics: an international survey	Annual Meeting
1959	8 - 11 April	University of Southampton	Professor MHA Newman	What is mathematics? New answers to an old question	Annual Meeting

MATHEMATICAL ASSOCIATION ANNUAL MEETINGS 1898 - 2024

YEAR	DATES	LOCATION	PRESIDENT	PRESIDENTIAL ADDRESS	MEETING TYPE
1960	6 - 7 January	King's College, London	Miss LD Adams	Full cycle	Annual Meeting
1961	5 - 8 April	University of Leeds	Dr EA Maxwell	Pastors and masters	Annual Conference
1962	17 - 18 April	King's College, London	Mr JT Combridge	Mathematics - slave, servant or sovereign?	Annual Conference
1963	17 - 20 April	University of Nottingham	Professor VCA Ferraro	The scientific exploration of outer space since the time of Galileo	Annual Conference
1964	31 March - 2 April	Imperial College, London	Mr JB Morgan	The thirteenth grade	Annual Conference
1965	12 - 15 April	University of Oxford	Dr IW Busbridge	Robbins - and all that	Annual Conference
1966	13 - 16 April	Keele University	Mrs EM Williams	The changing role of mathematics in education	Annual Conference
1967	19 March - 1 April	Welsh College of Advanced Technology, Cardiff	Mr FW Kellaway	The teacher of mathematics and society	Annual Conference
1968	16 - 18 April	Westfield College, London	Mr AP Rollett	Class consciousness	Annual Conference
1969	8 - 11 April	University of Cambridge (Churchill College)	Professor CA Coulson	On liking mathematics	Annual Conference
1970	1 - 4 April	University of Newcastle	Lady Jeffreys	"An easy commerce of the old and the new"	Annual Conference
1971	14 - 16 April	London	Professor MJ Lighthill	The art of teaching the art of applying mathematics	Annual (Centenary) Conference
1972	5 - 7 April	University of Edinburgh	Mr BT Bellis	Whatever next?	Annual Conference
1973	10 - 12 April	University of Sussex, Brighton	Mr CT Daltry	Difficulties - a voice from the past	Annual Conference
1974	8 - 11 April	Royal Holloway College, London	Professor WH McCrea	Natural philosophy	Annual Conference

MATHEMATICAL ASSOCIATION ANNUAL MEETINGS 1898 - 2024

YEAR	DATES	LOCATION	PRESIDENT	PRESIDENTIAL ADDRESS	MEETING TYPE
1975	2 - 5 April	University of East Anglia, Norwich	Mrs M Hayman	To each according to his needs	Annual Conference
1975	19 - 21 September	Leicester	Professor RL Goodstein		Inauguration of the New Headquarters
1976	11 - 14 April	University of Birmingham	Professor RL Goodstein	Arithmetic without sets [Read by Dr EA Maxwell]	Annual Conference
1977	13 - 16 April	University of Liverpool	Dr E Kerr	Some thoughts on the educational system and mathematics teaching	Annual Conference
1978	5 - 8 April	University of Bath	Professor G Matthews	Sausages and bananas	Annual Conference
1979	18 21 April	University of Hull	Mr AR Tammadge	Creativity	Annual Conference
1980	9 - 12 April	University of Durham	Professor CW Kilmister	Zeno, Aristotle, Weyl and Shuard: two-and-a-half millenia of worries over number	Annual Conference
1981	12 15 April	University of Leeds	Mr DA Quadling	Pressures and priorities	Annual Conference
1982	14 - 17 April	University College, Swansea	Professor MF Atiyah	What is geometry?	Annual Conference
1983	6 - 9 April	University of Exeter	Mr FJ Budden	Accuracy is a virtue	Annual Conference
1984	15 - 18 April	University of Manchester Institute of Science and Technology	Professor RL Schwarzenberger	The importance of mistakes	Annual Conference
1985	10 - 13 April	University of Dundee	Mr PB Coaker	Why teach mathematics?	Annual Conference
1986	2 - 5 April	University of Cambridge (Newnham and Selwyn Colleges)	Miss HB Shuard	Primary mathematics: towards 2000	Annual Conference
1987	12 - 15 April	London (Digby Stuart College)	Mrs A Straker	The challenge to change	Annual Conference

MATHEMATICAL ASSOCIATION ANNUAL MEETINGS 1898 - 2024

YEAR	DATES	LOCATION	PRESIDENT	PRESIDENTIAL ADDRESS	MEETING TYPE
1988	6 - 9 April	University of Birmingham	Dr ME Rayner	On examinations	Annual Conference
1989	29 Mar - 1 April	Sheffield City Polytechnic	Professor AG Howson	New challenges	Annual Conference
1990	9 - 12 April	University of Leicester	Mr P Reynolds	Full circle	Annual Conference
1991	3 - 6 April	University of Newcastle upon Tyne	Professor ML Brown	The second iteration	Annual Conference
1992	12 - 15 April	University of Nottingham	Dr AJ Bishop	Visions, mechanisms and professionals	Joint Conference with the ATM
1993	5 - 8 April	University of Plymouth	Mr J Hersee	AIMS	Annual Conference
1994	6 - 9 April	Royal Holloway College, London	Dr WS Wynne Willson	Five types of ambiguity	Annual Conference
1995	9 - 12 April	University of Sussex, Brighton	Dr M Bradburn	The borders of mathematics and natural philosophy	Annual Conference
1996	10 - 13 April	Trinity and All Saints College, Leeds	Mr ER Ashley	From a still point on a turning world	Annual Conference
1997	2 - 5 April	University of Strathclyde, Glasgow	Mr WP Richardson	Why are we here?	Annual Conference
1998	4 - 6 April	University of Warwick	Dr AD Gardiner	The art of knowing	Annual Conference
1999	6 - 9 April	Liverpool Hope University College	Professor JC Robson	Something interesting!	Joint conference with the ATM, LivMS
2000	15 - 18 April	University of Exeter	Professor JS Berry	Developing the mathematical feel	Annual Conference
2001	8 - 11 April	St Martin's College, Lancaster	Mr S Abbott	Rank and file: vision and visualisations	Annual Conference
2002	3 - 6 April	University of Reading	Dr S Sanders	Tales from the mathematical classroom	Annual Conference

MATHEMATICAL ASSOCIATION ANNUAL MEETINGS 1898 - 2024

YEAR	DATES	LOCATION	PRESIDENT	PRESIDENTIAL ADDRESS	MEETING TYPE
2003	12 - 15 April	University of East Anglia, Norwich	Mr B Lewis	Taking perspective	Annual Conference
2004	13 - 16 April	University of York	Professor Sir Christopher Zeeman	Three-dimensional theorems for schools	Annual Conference
2005	30 March - 2 April	University of Warwick	Professor A McBride	Mathematics: The greatest subject in the world	BCME 6
2006	10 - 13 April	Loughborough University	Mrs S Singer	Sailing through mathematics	Annual Conference
2007	11 - 14 April	Keele University	Mr D French	Simplicity and surprise in school mathematics	Annual Conference
2008	2 - 5 April	Keele University	Mr R Eastaway	Joined up mathematics	MA, ATM, NANAMIC, AMET Conference
2009	14 - 17 April	University of Cambridge (Robinson College)	Mr R Barbour	A manifesto for mathematics	Annual Conference
2010	6 - 9 April	University of Manchester	Mrs J Imrie	Progressing through mathematics	BCME 7
2011	14 - 16 April	Loughborough University	Dr D Acheson	What's the problem with maths?	Annual Conference
2012	10 - 12 April	Keele University	Dr P Andrews	Learning from others: Can PISA and TIMSS really inform curriculum developments in mathematics?	Annual Conference
2013	3 - 5 April	Loughborough University	Professor M du Sautoy	Teaching the Shakespeare of mathematics	Annual Conference
2014	14 - 17 April	University of Nottingham	Mr P Ransom	Triumphs and tribulations in teaching	BCME 8
2015	8 - 10 April	Keele University	Mrs L McClure	Looking backward, looking forward	Annual Conference
2016	1 - 3 April	University of Oxford	Dr PM Neumann	Inspiring teachers	Annual Conference
2017	7 - 9 April	Royal Holloway College, London	Dr J Golding	Is it mathematics or is it school mathematics?	Annual Conference

MATHEMATICAL ASSOCIATION ANNUAL MEETINGS 1898 - 2024

YEAR	DATES	LOCATION	PRESIDENT	PRESIDENTIAL ADDRESS	MEETING TYPE
2018	3 - 6 April	University of Warwick	Mr T Roper	Adventures in shape and space	BCME 9
2019	15 - 18 April	Chesford Grange, Warwick	Professor M Askew	Reasoning as a mathematical habit of mind	Joint conference with the ATM
2020	14 - 16 April	Cancelled	Dr E Lord	Nurturing the next generation of mathematicians: the case for mathematical fluency	Annual Conference
2021	1, 9, 10 April	Virtual	Dr H Fry	Communicating what counts - lessons I've learned in how to bring maths to the masses	Annual Conference
2022	12 - 13 April & 14 April	Virtual/Face to face Stratford on Avon	Dr C Pritchard	Focus on the visual	Annual conferece
2023	3, 4 April	University of Warwick	Dr C Foster	Less is more	Joint conference with ATM, et al
2024	3 - 5 April	Stratford on Avon	Professor N Chamberlain	Mathematics is Indisputably the Greatest Subject in the World	Joint conference with ATM, et al
