First Mathematics Challenge 2021

We are pleased to announce that the First Mathematics Challenge is now open for orders.

21st June - 2nd July

The FMC is a mathematical challenge aimed at lower primary pupils up to 9 years of age. Why not try the [2020 paper](#) to see how you do?

Early Bird Discount Ends 31st March 2021.

[Take part](#)

Volunteering opportunity

The Primary Mathematics Challenge are looking for a new Chair of the Problems Setting Team.

Do you have a mathematical background? Do you have experience creating or setting mathematical problems for KS2? Do you currently work with children aged 8-11? Then we would love to hear from you.

The Mathematical Gazette

150th Anniversary Article Collection

The free-to-view articles in this special anniversary collection have been chosen to illustrate a diversity of topics in **pure and applied mathematics**, ranging from the history of mathematics to pedagogy, from geometry to problem solving, and from sport to knitting. Several feature in the list of the **most popular Gazette downloads** from Cambridge Core. The authors include some of the most celebrated mathematicians of our time and four are past Presidents of the Association.
