**JUNIOR MEETING AT ROEDEAN SCHOOL ON  
TUESDAY 8<sup>th</sup> MARCH 2016**

Preparations are well in hand for the

**PROBLEM DRIVE**

which has become one of the most popular meetings in our programme. Please encourage as many of your students as possible to attend this fascinating and stimulating event. The format will be the same as for recent years. Full instructions will be given to participants on the evening.

Participants should:

- arrive by 4.30 pm to give time for registration;
- bring a calculator and pen or pencil.

It would be helpful to have some idea of numbers attending and an e-mail message or a telephone call to me on (01273) 642533 (office hours only) would be appreciated.

The meeting will be held at

**Roedean School, Brighton, on Tuesday 8<sup>th</sup> March 2016**

Participants are asked to arrive by **4.30 pm** for registration. The event should finish between 6:00 and 6:15pm.

It would be helpful if some teachers could come along to help with marking the participants scripts.
