## New President's blog from April

### Dr Colin Foster

From 14 April 2022, when Dr Colin Foster becomes President of the MA, he will be writing a blog and posting every other Thursday throughout his year as President. He is intending to address issues of interest and relevance across the entire range from early years through to university – not an easy task, but he is going to do his best!

These will follow on from Dr Chris Pritchard's Presidential Essays, but the format and frequency will be different. Colin hopes that the blog will stimulate conversations within the Association about important issues within mathematics teaching and learning, and there will be a facility to reply/comment underneath the blogposts, so it can support some discussion.

['If I Could Tell You One Thing'](#)  
edited by Ed Southall

If I could tell you one thing' is the pocket-sized maths departmental office you always wanted. Wise words and advice from a range of

experienced professionals in maths education, offering everything from thought provoking teaching ideas, to discussions around why we do what we do in the classroom and whether we should do it differently. Each contributor has navigated their way through years of maths teaching to bring you a slice of advice to learn from, think about, and bring back to your own maths department.

This book is sold as a bundle package, giving you access to the eBook as well as a printed copy.

## MA supports calls for the relocation of the 2022 International Congress of Mathematicians

The International Congress of Mathematicians (ICM) was planned to be held in St. Petersburg, Russia, in July 2022.

The London Mathematical Society (LMS) and the Institute of Mathematics and its Applications (IMA) both issued statements strongly recommending that the organising body of ICM, the International Mathematical Union (IMU), does not hold ICM in Russia in 2022 in view of the military situation in Ukraine.

We have now learned that the IMC will be a virtual event hosted outside of Russia. For further information please see the IMU statement [here](#).

**Read the LMS and IMA Statements which the MA supports**

## Joint MA/ATM Primary Group

The next meeting will be on Friday 10th June in London.  
For more information, please contact Chair Alison Borthwick:

# Maths is More

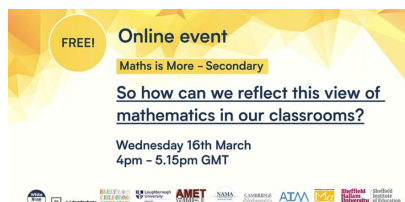

Maths Is More is a group of experienced teachers, researchers and teacher educators from all sectors of education who are concerned about the restricted view of mathematics that is currently being portrayed within the media and in communications of a number of state funded organisations.

## 11-18 Subcommittee of the Teaching Committee

### Are you a secondary maths teacher? Would you like to be involved?

The 11-18 team, a subcommittee of Teaching Committee, is seeking new members. If you are a UK Maths teacher and would like to be involved, we would be keen to hear from you. We share ideas about teaching for age 11-18 and work together on joint projects.

The members of our core team attend one Saturday meeting per term, currently online: perhaps you would be able to join such meetings? We are also keen to have a wider group whom we can consult in relation to ideas and experiences in different schools/parts of the country, for instance to shape a response to a national consultation.

If you feel that you might be able to contribute in any way, please contact [tc-132@m-a.org.uk](mailto:tc-132@m-a.org.uk)

### 60 Second Survey: Your experience of CPD since March 2020

The aim of this 60 Second Survey is to collect feedback about Maths teachers' experience of the provision of CPD since the first lockdown and any changes in the form and level of engagement.

## MA Library Dr AEL Davis Book Offer

The library of the late Dr AEL Davis was generously donated in 2020 to the MA. There are many duplicate titles which we are now offering in exchange for a donation to the MA library fund.

The list of over 130 volumes - author, title and date - can be found here: [AEL Davis Book List](#)

The collection, is open to bidding **in part**, (specifying author surnames and dates) for a single donation, plus carriage costs\* or collection in person from MA HQ in Leicester.
